PORTER LANCASTRIAN LIMITED
 INNOVATIVE DESIGN & MANUFACTURING COMES AS STANDARD

Sleek, stunning and irresistibly cool

Introducing the Condensation Font Range where every drop counts.

Together the ice cool beads dance down each chilled font to create a stunning visual effect that's difficult to ignore.

Available in über cool and sleek designs, these unique fonts get all the attention they deserve.

- For use with chilled water or glycol systems
- Ergonomically designed 'condensate catcher'
- Available in bright or brushed chrome and polished brass finishes
- Chilled-to-tap cooling
- LED illuminated
- Optional Elegance taps with soft touch branding offers powerful brand enhancement
- Accepts all industry standard dispense taps
- Split casting design for ease of installation and maintenance
